

NIMCET Mathematics Important Topics

1. Probability
2. Trigonometry
3. Set, Relation and Function
4. Permutation and Combination
5. Quadratic Equation
6. Progression
7. Matrix and Determinant
8. Binomial Theorem
9. Limit, Continuity and Differentiability
10. Definite Integration
11. Statistics
12. Straight Line
13. Differentiation
14. Maxima and Minima, Area Under Curve
15. Indefinite Integration
16. Ellipse
17. Parabola
18. Circle
19. Hyperbola
20. Logarithms and Exponential
21. Tangent and Normal
22. Height and Distance
23. Application of Integration
24. Pair of Straight Line
